(920) 339 4053

The October 01, 2009 meeting on the BIANEW was called to order by President Dennis Jensen at 9:36 AM. The first presentation of the morning's programs was by Wayne Daul of H.J. Martin and Sons Inc. The presentation outlined design of structures for excessive dead loading due to heavy floor coverings (tile, ceramic, and granite). Some of the highlighted topics included preplanning for the heavier flooring designs, not grouting to the wall lines, prevent accumulative stacking in one area, and new products on the market.

Vice President:

Leroy Stublaski  
5308 Severn Way  
Madison WI 53174  
(608) 219-9483

Our second speaker was Ryan Jones from I Level / Weyerhaeuser on Floor framing & Design for tiling. Items covered were support systems for tile and stone, tile installation standards, programs available to aid in design, and tile installation standards (TCNA). He also covered some questions on wall bracing and the UDC code applications.

Secretary:

Motion to accept minutes from last meeting (September 3, 2009) was made by Brian Walters and seconded by Mike Miller. Vote Unanimous

Brian Walters gave an update on the issue of the UDC versus the IRC; there will be a meeting of the taskforce on the last Tuesday of each month, check website for updated information on issues of discussion.

Old Business: President Dennis Jensen read the thank-you letter from the student at Mid-State Technical College in Wisconsin Rapids who received the scholarship.

Round Table: Donna brought up an issue about a screen room that is being sold with an Architects stamp. It has not been approved by the Department. Also brought forward was a fiberglass ceiling panel that was used years ago that is now seeing a comeback. Also, mentioned was a new recycled batted insulation that being seen on some construction sites discussed that R-value and where to find it.

**AN ORGANIZATION OF INSPECTIONS OFFICIALS FROM TWENTY-ONE WISCONSIN COUNTIES**
